

Matthew Larrosa

Computer Science Junior at Florida International University

matthewlarrosa20@gmail.com | (305) 978-8379

<https://www.linkedin.com/in/matthew-larrosa-19-9999ml/>

Education

Florida International University, Miami FL, 2021-2025

Bachelor of Science in Computer Science

- Summer 2023 Culmulative GPA: 3.54

Coursework

Data Structures, Discrete Structures, Computer Architecture, Logic for Computer Science, Programming II

Experience

American Express, May 2023

Software Engineer Sprintern

Release Manager 2023

Developed a project tracker for Amex scrum teams. Leveraging React JS, Node and Docker I designed a well-structured table equipped with convenient features like adding and editing project details, as well as time stamps to track changes. Enhanced the user experience with seamless access to update and monitor project information, including real-time project status and updates.

Organizations

- Google Developer Student Club
- INIT (Formerly Upsilon Pi Epsilon)
- Break Through TECH Miami

Skills

Languages: English (Native), Spanish (Working Proficiency)

Technologies: Java, React, Node JS, Git, Docker
